BLOODHOUNDS TRAIL ROBBERS IN ESTILL

Two Boys and a Woman Arrested
For Robbing Store—Frozen
Creek P. O. Burglarized

Three arrests were made in connection with the burglary of the store of Tipton and Neal, a mile from Miller's Creek, Estill county, Monday night, Captain V. G. Mullikin, of Lexington, announced following his return from the scene, where he had gone with his bloodhounds to assist in the search made by the authorities.

Mrs. Annie Howal was one of those arrested. She was charged with concealing stolen property. William Pittman, 16 years old, and James King, a negro boy, also 16 years old, were the others arrested.

Approximately \$1,000 worth of clothing and merchandise had been taken from the store.

Mullikin's dogs trailed to the edge of Lee county and lost the trail. Residents, however, told of a negro and white boy going down the road in the direction the dogs had been following. It was later learned that the boys were spending the night in the neighborhood. The next morning Capt. Mullikin, accompanied by a number of other men, surrounded the house in which the boys were staying.

King, the negro boy, walked out on the porch and covered Sid Chapman, merchant, with a revolver. One of the other members of the posse disarmed the boy before he could fire. The pistol was later identified as one which had been stolen from Chapman's store several weeks before. A search of the house was made, and most of the stolen merchandise recovered. Mrs. Howal was arrested. The three were then taken to Beattyville and placed in jail.

While at Irvine, Capt. Mullikin received a call from Frozen Creek in Breathitt county, stating that the postoffice and general store at that place, operated by William Day, had been entered Tuesday night and \$400 in stamps and cash taken, along with Liberty Bonds worth \$200. Capt. Mullikin went to Frozen Creek at once with his dogs. The dogs, after following a trail for some distance down the railroad track, lost it near the banks of the Kentucky river. It was learned afterwards that two men had stolen a boat and had been seen going down the river in it.

FOCH CAN'T READ ALL MAIL HE GETS

Paris, April 29.—Marshal Foch says that one of his great regrets is that he has not time enough to properly digest the big mail he receives. Like most men in a conspicuous position, he gets daily a batch of correspondence that keeps his aids busy, sift the trivial and eccentric from the important and interesting.

Friends and enemies alike write him profusely and their letters run the whole gamut from ecstatic adulation to frenzied vituperation. This morning he received a dozen letters, and as many packages from the same person, an American. All were registered. "The American must have known that this class of mail gets first attention by the Marshal's staff."

Nearly every mail brings a letter from some pro-German in America inviting the Marshal to have himself hanged or to go to the place of fire and brimstone. By every mail some one sends him an ode or a song written in his honor.

Mothers write him informing him they have named the finest baby in the world after him, and American fathers send word that they would have taken a good drink in his honor on some anniversary or other had not the United States gone dry.

Authors send him their books and inventors forward descriptions of wonderful engines of destruction or schemes to suppress war.

The Marshal's advice is asked on all subjects with which he says he is least familiar.

What has amused him most lately was a post card received from San Francisco with the photographs of two pickaninnies and the inscription, "Here Young America."

SANDERS STILL HAS TRYSTER FAVORITE

Louisville, April 29.—V. Sanders, turf writer in The Times today narrows the prospective Kentucky Derby field to 17 horses. He places the prospective odds on Tryster and Prudery at 5 to 2; Leonardo II, 4 to 1, and on Grey Lag, 8 to 1. Ben Bolt trails the list at 100 to 1.

Destroyer Squadron

At Narragansett
Newport, R. I., April 29.—Narragansett Bay is to be the base of the destroyer squadron of the Atlantic fleet this summer. The rendezvous will bring 150 destroyers and auxiliary vessels to these waters. Five destroyers have already arrived. The main fleet of destroyers, it has just been announced, will leave Charleston, S. C., their winter base on May 15, and proceed to New York for a stay of two weeks to permit the crews to have shore liberty. The squadron, under command of Rear Admiral A. H. Robertson, will then proceed to Narragansett Bay arriving about June 5.

Convicts Win Privileges

By Working Hard

Frankfort, Ky., April 29.—Because of steady falling off in production in the factories at the state reformatory, minimum days' work will be assigned to the convicts beginning in May, Supt. Bastin announced today. The reward for doing the minimum will be yard privileges, while those who refuse to do that amount will be kept in the factories an hour and a half longer and denied the yard privilege. Supt. Bastin said the plan did not restore the old task system which is opposed by most modern prison men, but merely set a suitable minimum task and provided a reward for its being done.

BLOODHOUNDS TRAIL AUBURN BANK YEGGS

(By Associated Press)
Russellville, Ky., April 29.—After trailing them all night on clues furnished by relatives, two men believed to be the bandits who robbed the G. W. Davidson & Company bank at Auburn of \$113,000 in cash and bonds Tuesday were captured today near a mining town in Muhlenberg county, 30 miles north of here. The men were caught at Corums Ferry on Mud river.

The men offered no resistance. About \$3,000 in gold and currency was found on them. The men are being brought to Auburn for positive identification.

The arrests were preceded by the discovery of \$101,000 in bonds wrapped in the sleeve of a coat and buried near the home of Victorian Thomason at Bald Knob church in Logan county. Thomason and his son were taken into custody by detectives who had been working on the robbery. On information from them a hunt began for Boyd Thomason, Victim's brother, and another man said to be named Smith, who came from Oklahoma recently with Boyd Thomason. A posse searching the countryside today came upon the pair as they were crossing Mud river in a skiff. As they were preparing to cross Mud river, rifles leveled at them induced them to surrender.

CONVICTS TO HEAR PROMINENT MEN

Frankfort, Ky., April 29.—Convicts in the Kentucky State Reformatory are to hear some of the best known speakers in Central Kentucky, it was announced here today by Superintendent H. V. Bastin. Each Wednesday afternoon some prominent man will speak to the convicts, the first speech of the series having been on last Wednesday afternoon when Rev. Noos, of the Frankfort Christian church, made a talk.

"These men are going back into civil life, so why not do our best to prepare them by giving them some kind of inspiration," said the superintendent in talking of his plan. "If we who have not transgressed the law need inspiration, how much more do the men who have been placed behind these white stone walls for a period of years need it. There ought to be enough persons interested in the question in Central Kentucky to furnish a man to speak to the convicts every week."

The speakers will pay their own expenses, Mr. Bastin said, for the prison has no money for that purpose.

In a game, which was played under protest and will be formally protested to President Elmer Deatherage of the Richmond Church League, says Captain Jas. Shaw, of the Calvary Baptist church, the First Christian church nine defeated the Calvary boys by a score of 12 to 6 Thursday afternoon.

The game was hard fought from the start, and there was much protesting over decisions of Umpire Stone Norman. The Calvary boys say that they will seek to have the game thrown out of the standing and played over, because of certain erroneous decisions which he made, they say. It is expected that President Deatherage, who was not present at the game, because of jury service at Irvine, will hear both sides and decide what is to be done.

This is the first protested game that has yet been played in the Church League. The boys are fighting hard for victory at all times, and aren't permitting a single point to get away from them. There will be no further games in the League this week because of the Normal team's schedule of games Friday and Saturday afternoon. There is one game to played next week carried over from this, the Methodists against the Second Christians. Announcement will be made later of the date of this game and others for next week.

HARDING AND CABINET DISCUSS HUN PAYMENT

Washington, April 29.—President Harding and the cabinet are understood to have discussed the German reparations proposal again today. Secretary Hughes presented the views of the principal Allied powers.

Meantime, an American reply to the German communication is held up. While the cabinet was considering the question, it became known that Great Britain and Italy have not definitely rejected the German offer as unacceptable for negotiations. It is understood the French and Belgian governments viewed the terms as unacceptable.

It is said in well-informed quarters, however, that Hughes is hopeful negotiations between the Allies and Germany can be reopened, even if France moves into additional German territory.

TEACHER SHORTAGE FOR HIGH SCHOOLS

(By Associated Press)
Frankfort, Ky., April 29.—An unprecedented number of teachers are expected to apply this year for examination for certificates to teach in the Kentucky schools, according to N. L. Taylor, assistant state superintendent of public schools. The statement was made in connection with an announcement that the season for teacher examinations in the state would begin May 3. "There will be no shortage and undoubtedly a surplus of teachers for elementary grades," said Mr. Taylor. "There will be, we believe, though, a heavy shortage of teachers for the high schools."

Teachers in the high schools from now on must have high school certificates. Teachers holding elementary certificates can no longer teach high school subjects in no matter what school they are engaged. The old county certificates, whether for life or not, are good only in elementary classes. Normal school certificates to undergraduates are not good in the high schools.

NATIVE OF RED HOUSE DIES IN OKLAHOMA

Dr. R. S. Portwood, who was born near Red House and raised in this county, died at Waggoner, Okla., this week. He has a number of relatives in this county now. He was about 61 years of age.

Dr. Ballard, father of Mr. Portwood, was a native of Jessamine county, and was one of the earliest settlers of McLean county, Illinois. A friend there sends the Daily Register a clipping from a local paper about his death. It says:

"The remains of Dr. Robert S. Portwood arrived in Saybrook on Monday evening from Waggoner, Okla., where funeral services were held on Sunday. This afternoon (Tuesday) at 2 o'clock services will be held at the Christian church in charge of Rev. C. C. Wisner, of Paxton, assisted by Rev. O. O. Inman, of this city. The burial will be in the South cemetery."

Dr. Portwood will be well remembered in Saybrook community as being in the firm of Crigler, Portwood and Anderson, dentists, who took care of the business of several towns near here some 20 years ago. When Dr. Crigler, deceased, retired, Dr. Portwood moved to Waggoner, and has since been located there. MEETING CLOSES AT FIRST BAPTIST CHURCH

Many Stirring Sermons Bring
Sinners to Repentance and
Revived Spirit Generally

The meeting at the First Baptist church closed Thursday night except the baptismal service which will be conducted by the pastor at 7:30 this (Friday) evening. Dr. Leonard W. Doolan, who has been preaching twice each day for nearly two weeks, delivered a most forceful and eloquent appeal which was the last in the series. As a result of this appeal there were six professions of faith and others deeply convicted.

Dr. Doolan's sermons have all been of a very high order. While he is scholarly in his utterances and logical in the development of his theme, his presentation of Bible truths is so plain that even a little child can understand him. His illustrated talks to the children at the afternoon services were appreciated by old and young alike. His coming has meant much to the spiritual life of membership of the First Baptist church and to the whole community. In closing Dr. Doolan spoke of the fine spirit of comradeship and fellowship which exists between the pastors and the churches of Richmond.

Members received during the revival were as follows:

For Baptism—Anna Catherine Hugely, Blanch Jayne, Lucille Church, Gilbert March, Mary Neil, Udell Hurst, Shelton Saufley, Jr., Richard Wagers, Hiram E. Blake, Margaret Green, Marion Kunkel, Carrie Hamilton, Gladys Park, Mrs. Mike Altis, Annie James, George Cox, Mary Kindred, Joe Harris, Mrs. Joe Oldham.

By Letter and Statement—Forest March, Mrs. Forest March, Mrs. B. H. Gibson, Mrs. Iva Teater, Mrs. Clifton Weaver, Mrs. Sarah Bush.

Those making a profession of faith without taking church membership—W. C. Taylor, Nannie Jones.
